

HELP ME SUPPORT COMO FRIENDS

Dear

I love going to Como Zoo to see the western lowland gorilla family troop exploring their yard. The best part is seeing baby Arlene crawling around after her mom and snacking on her favorite treat – strawberries!

Did you know Como is home to eight gorillas? The zookeepers work hard to keep them healthy and curious. But that's not all Como does to help care for gorillas. They also work with other zoos to study gorillas' hearts, and that's good for all gorillas, in zoos or in the wild.

For my birthday this year, I'd like my gifts to go to Arlene and all the animals at Como. I'm hoping to raise \$ _____ to help the plants and animals of Como Park Zoo & Conservatory thrive. Will you help me reach my goal?

Thank you,

como friends
THRIVE ON

Como Friends inspires community generosity, ensuring
Como Park Zoo and Conservatory gets the extra care it needs to thrive.
